BOULDER, CO – July 29, 2008 – Incentra Solutions (OTCBB:ICNS), a leading supplier of IT services and solutions in North America and Europe, today announced that it has ranked #13 on Everything Channel's 2008 CRN Fast Growth 100 List with a 284 percent growth rate in net sales ('05-'07). The CRN Fast Growth 100 list recognizes the fastest growing Solutions Providers in the industry today. "We're honored to be a member of the CRN Fast Growth 100 for the third consecutive year. "The CRN Fast Growth 100 are the cream of the crop when it comes to Solution Providers who know how to wrap technology in world-class services offerings, and this years' group demonstrate that the technology Channel is strong and growing, regardless of surrounding economic conditions," said Robert C. DeMarzo, senior vice president and editorial director for Everything Channel editorial.

The CRN Fast Growth 100 are channel industry leaders. They average two-year revenue growth ('05-'07) of 153 percent, and average annual sales of products and services of \$106 million.

The five common traits that typify the CRN Fast Growth Solution Provider include: multi-vendor IT solutions; cutting-edge technologies; close customer relationships; strong sales philosophies; and business-oriented IT consulting.

To be eligible for the 2008 Fast Growth 100, companies must be an IT solution provider; be based/headquartered in the U.S.; have had net sales of at least \$1,000,000 in calendar year 2005; and be an independent company.

All private companies provided a signed affidavit attesting to the accuracy of the reported 2005 and 2007 net sales figures or accountant-reviewed financials or audited financials. Affidavits were signed by an owner or officer of the company or by a CPA representing the company. Affidavits and financials are on file in Redmond, Washington.
